Ms. Hershey and Mrs. Troncoso will gather your books and check them out to you.

When your books are available, you will receive an email at your fcpschools.net email address. Your parents will also receive an email.

Once you receive your email, come to the school and gather your books from the front hallway. They will be bundled and placed under the letter of your last name, which is taped to the wall.

Books are checked out for 3 weeks and can be returned to the labeled bin provided at curbside checkout.

Our safety protocols **MUST** be followed:

- Masks will be worn during pick-up
- Please maintain a 6-foot separation with others when you come into the school
- Book bins will be available for book returns to minimize handling of returned items
- Returned books will be isolated for 7 days per FCPS policy
